DRAUGHTS

SUPER SOUR

BRASSERIE DE SILLY

STUPID SILLY SOUR | Belgium | 5.5% | \$14

No Belgian brewery has embraced America's love for pushing the boundaries more than Brasserie De Silly. The brewers thought it would be funny to sample a group of Americans on their pure sour ale...and were shocked when the guests lit up with excitement. This Flemish Old Bruin - formerly brewed solely to blend with their Saison and house Sour - offers big green apple notes alongside subtle hints of brown sugar and biscuit malt.
