BROUWERIJ DE BRABANDERE

PETRUS PASSIONFRUIT | Belgium | 7.3% | \$15

Petrus is a real sour beer, brewed according to tradition that dates back centuries. A 100% wild ale matures for 24 months in french oak foeders; woods' micro flora and permeability are essential to the development of a complex acidity. The finished pale ale is blended with fresh passionfruit, resulting in a harmonious union of tart and sweet.
